

Lucia Ortiz

ABOUT ME

Personally and professionally, I am an organized and disciplined individual. I enjoy being creative and exploring more spontaneous ideas, yet I consider myself a technically minded person who values having clear creative guidelines to work within.

After finishing my compulsory secondary education and later completing my Baccalaureate in the scientific-technical track, I began studying Aerospace Engineering during my first year at university. After that stage, I started the path that led me to where I am now...

WORK EXPERIENCE

Event hostess

- Assisted in the organization and coordination of various events, ensuring a welcoming atmosphere and smooth guest experience.

Private high school tutor

SANTISIMA TRINIDAD SCHOOL

- Offered individualized academic support to high school students, helping them strengthen study habits and improve performance in key subjects.

Wedding catering waitress

LA DAMA

- Provided professional table service and support during wedding receptions and private celebrations, maintaining attention to detail and customer satisfaction.
